Outreach Advice

1. Appreciate Islam's emphasis on the "Greater Jihad" (*i.e.*, a personal striving against lust, sin, idolatry, doubts, and Satan).
2. Admit that both Jews and Christians have engaged in "Jihad by the Sword" on occasion (*e.g.*, the crusades, abolition, temperance, *etc.*).
3. Avoid unfair and inflammatory statements like "Islam teaches violence" or "All Muslims are a threat to national security and should be deported".
